

Living in a Changed World

China New Zealand Senior Youth Forum, 20 July 2021

Living in a changed world | Staying connected and sharing experiences |

Past New Zealand summit delegates reconnect with Qingdao No. 9 School students and staff

This forum will be held at Qingdao No. 9 School for students from Qingdao to connect or reconnect with New Zealand alumni of past youth leadership summits and senior high students.

This three-hour event is hosted by the Qingdao Education Bureau and No. 9 School. Its purpose is to ensure we all keep in touch and maintain important relationships and friendships between China and New Zealand students, teachers and government officials. Those who would primarily participate in the annual NZ China Youth Leadership Summit. Participants will:

- Meet and greet past friends and colleagues from past summits.
- Share views about 'how the world has now changed and what impact this has on us all'.
- Share experiences on the global pandemic and the effect this has had on their countries.
- Consider what leadership qualities are important during a global crisis.

Attendees include past alumni of the Youth Leadership Summits; students who registered for the 2020 summit and senior high school students with an interest in China relations and attending a future summit. There is no charge to attend. A briefing and protocols zoom meeting will be held 13 and 14 July (attend one) at 5.00pm.
